#### APPLICATION ANALYSIS

Based on the current taxable assessed valuation of the District, a 9.26 mills tax will generate an estimated \$1,127,100 annually.

The proposition was previously presented to the voters at the November 15, 2025, election (SBC application L25-175), but failed to pass with 246 yes and 339 no votes with 5.1% turnout. Article VI, Section 30(B) provides “no political subdivision shall submit the same tax proposition, or a new tax proposition that includes such tax proposition, to the electorate more than once within a six month period except in the case of an emergency as determined by the governing authority of the political subdivision.” The proposed proposition is being presented to the voters more than six months since the last election.

This is a tax to be levied in lieu of a similar 10.0 mills tax authorized at an election held on November 13, 2021, to be levied through 2032 for the same purposes.

The Notice of Election reflects the estimated cost of the election is \$41,000.
